OPEN POSITION:

REHABILITATION AIDE

Hands On Therapy is looking for an undergraduate student to join the team this fall!

The Rehab Aide position is open to a student interested in gaining experience in pediatric therapy. Rehab Aides receive on-the-job training and work in collaboration with the occupational, physical, and speech-language therapists.

Daily tasks involve:

• Observing therapists and assisting with therapy treatments
• Organizing & sanitizing therapy equipment
• Having fun with clients and therapists!
