Insignia Environmental

Environmental Inspector/Biological Monitor

**Description**

**About Insignia Environmental**

Insignia Environmental (Insignia) is a growing environmental consulting company focused on the needs of energy and infrastructure clients. Our staff has a foundation in engineering, science, and real-world construction experience that translates into environmental documents and programs that represent the best in class for our clients and the environment. Insignia holds performance and responsiveness paramount while working with clients to meet their environmental needs, often on expedited timelines. We pride ourselves on knowing the latest environmental regulations, understanding the goals of our clients and regulatory agencies, and producing high-quality deliverables.

**Why Join Us?**

At Insignia, we work hard and take pride in the reputation of excellence that we have earned in our industry. The diversity of our projects ensures that employees are appropriately challenged and learning new things. We are looking for employees that strive to be the best in their field and enjoy sharing knowledge and gaining it from others in an interactive environment.

**Position Details**
