NASA SUMMER INTERNSHIPS

NASA Summer Internships of up to $7,300 (+$1000 travel stipend) will be awarded through a competitive process. NASA Summer Internships are selected by NASA through a competitive process. Alaska Space Grant sponsors selected students. Students receiving awards in past competitions may apply and receive awards for subsequent competitions.

Alaska Space Grant invites students to apply for internships with NASA via https://intern.nasa.gov/

Students should also apply for funding at https://bit.ly/32BOEqc

Deadline to request funding is FEBRUARY 1st!
