Head Lab Instructor for **Intro to Climate Change** course at Oregon State University.
Head Lab Instructor for **Intro to Sustainability** course also.
Two positions available - our Sustainability program is growing!

**Could be great resume builder:**
These positions could be a good fit either long-term or for someone that wants to do a lot of writing, while also getting excellent teaching experience. The positions are 1.0 FTE over 9 months with most work during three ten week quarters.

Please spread this [Job Ad](https://jobs.oregonstate.edu/postings/75787) widely.

Masters required, PhD preferred.
Great resume builder for someone finishing up writing papers!
Come be part of our Climate Change or Sustainability courses!
We are looking forward to meeting you!

Kate Lajtha and Jillian Gregg
