SWCA Environmental Consultants is looking for an Environmental Specialist to join the Arlington, TX office. This office offers a unique work environment and specializes in Oil & Gas and Renewable Energy.

We are expanding our team and looking for dynamic individuals who are following their passion in delivering the highest-quality project work. If you thrive in the pursuit of ensuring excellence in environmental consulting services, this is a great opportunity for you!

- Conduct a variety of natural resources field studies including threatened/endangered species assessments, wetland delineations, and avian/wildlife surveys.

- Conduct fieldwork, organize and transfer field data, and write technical reports and permit applications related to Clean Water Act, Endangered Species Act, National Environmental Policy Act, and other resource planning/permitting, and/or natural resource...
disciplines.

- Assist in the writing and development of written deliverable related to project work.

- Minimum of a Bachelor's degree in Biology, Botany, Environmental Science, Fish and Wildlife Science, Ecology, or related field required
- Minimum of two (2) years of experience in wildlife/environmental fieldwork required; experience in project management preferred
- Previous experience with linear surveys required
- Knowledge and environmental survey experience in Texas Gulf Coast ecology preferred
- Knowledge of federal and state environmental regulations and guidance, particularly in Texas & Oklahoma preferred
- Familiarity with mapping software such as ArcGIS and GPS devices is highly desired
- Ability to travel to a location, walk and conduct fieldwork for long hours, sometimes in inclement weather, rugged terrain, often at high altitudes, and ability to carry equipment and supplies weighing up to 40 pounds is required.

SWCA Environmental Consultants is a growing employee-owned firm, providing a full-spectrum of environmental services. With offices across the United States, SWCA is one of the largest environmental compliance firms and ranks among Engineering News-Record's Top 200 Environmental Firms.

If you would like to contact SWCA regarding the accessibility of our website or need assistance completing the online application process due to a disability, please email accommodations@swca.com or call 800-828-8517. This contact information is for disability accommodation requests only. All other inquiries will not receive a response.

EOE - women, minorities, individuals with disabilities and veterans are encouraged to apply.
