I’m writing to inform you and your team of the launch of an exciting, new enrichment opportunity for HBCU/MI students! The DoN HBCU/MI - Navy Medicine Summer Internship is a virtual, three-week experience for HBCU/MI undergraduate students interested in Naval careers as physicians, nurses, dentists and biomedical technicians/researchers supporting the Bureau of Medicine and Surgery (BUMED).

This program is designed to give students unprecedented access to life as a Navy Medical Corps Officer and provide exposure to the application process and professional writing. In summary, selected participants will spend time in each of the 4 disciplines, raising awareness of the opportunities in Navy Medicine as well as gaining an edge when applying for a prestigious career and scholarship in the Navy.

To be eligible for the internship, students must be U.S. citizens, currently enrolled in an accredited four-year HBCU/MI with a minimum grade point average of 3.0, majoring in either of the following:
* Pre-Medical
* Pre-Dental
* Pre-Nursing
* Biology
* Engineering

In addition, students must have a valid driver’s license and will be required to complete a background check prior to the start of the internship.

To apply, students must submit the following materials to toni.a.bowden.mil@mail.mil:
* resume
* current academic transcript validating proof of enrollment
* letter of interest

Applications will be received until 28 June 2021 or once 3 qualified candidates have been selected.
* $3,000 Stipend available for qualified applicants.
Please encourage students to participate and feel free to circulate the attached flyer! Also, if you have any questions, please direct them to CAPT Toni A. Bowden, toni.a.bowden.mil@mail.mil

All the best,
R. Maurice Civers-Davis  
(Interim) Deputy Director,  
Department of the Navy’s (DoN) Historically Black Colleges & Universities/ Minority Institutions (HBCU/MI) Program
