SUMMER OPPORTUNITIES IN ANATOMY RESEARCH (SOAR)

A 10-week undergraduate internship in the anatomical sciences.

The SOAR program provides undergraduate students with experiences and mentorship in anatomy research, education, and outreach.

A $4,000 stipend & housing are provided.

Student requirements:

- Undergraduate enrollment in Fall 2019 (junior or senior standing preferred).
- 3.0 minimum GPA.
- US citizenship or permanent residency.
- Intention to pursue a graduate degree (MS/PhD) in the anatomical sciences.
- Students from underrepresented populations are encouraged to apply.

- Work one-on-one with faculty member(s) with research interests similar to your own.
- Present your research poster at the annual meeting of the American Association of Anatomists (AAA) in San Diego, California.
- Explore graduate training opportunities and careers in anatomy.
- Participate in a one-week gross anatomy workshop.
- Provide leadership in summer anatomy outreach programs.
