2019 Alaska Space Grant Program
Graduate Research Grants

Competitive grants for graduate students in STEM disciplines of up to $15,000 in Total Direct Costs.

Visit https://spacegrant.alaska.edu/student/grad for more information and application requirements.

APPLICATIONS DUE DECEMBER 1ST!

While all qualified students are encouraged to apply, women and individuals from underrepresented groups, specifically, Alaska Natives, Native Americans, African Americans, Hispanics, Pacific Islanders, and persons with disabilities are strongly encouraged to apply. Students are required to identify a faculty mentor with whom they intend to work and who is available to write a letter of collaboration. The mentor must provide a letter of collaboration agreeing to serve in the capacity of mentor for the duration of the award and must provide 1:1 non-federal match.
