PROPOSALS WANTED:

Angus Gavin Memorial Migratory Bird Research Grant

The Angus Gavin Memorial Migratory Bird Research Grant was created in 1983 with gifts from Atlantic Richfield Company (ARCO), now ConocoPhillips, and ARCO employees in honor of Angus Gavin. The grant supports research on migratory bird species found either permanently or seasonally in Alaska or its coastal waters, including their biology, general ecology and habitat relationships.

**Grant Amount:** $15,000

Grant proposals will be accepted from scientists within the University of Alaska system, which includes graduate students and faculty members. The deadline for receipt of complete proposals including applications, transcripts and letters of reference is **November 15, 2018**.

Please contact your department or the University of Alaska Foundation for more information.
